This beautifully maintained four-bedroom, three-bathroom home is nestled in a highly desirable East Windsor neighborhood. Situated on a spacious corner lot, this home has an abundance of natural light throughout. The well designed floor-plan features vaulted ceilings in the formal living and dining rooms, creating an open and airy atmosphere. The elegant, wide staircase leads to the well-appointed primary suite, while the tastefully remodeled kitchen and bathrooms offer a stunning modern style. One bedroom and a full bathroom are conveniently located downstairs, perfect for guests or multigenerational living. The family room boasts a decorative artistic gas fireplace, adding warmth and character to the space. The French door leads you to the beautifully landscaped yard, a great place to relax or entertain. Having a three-car garage is always a plus. Recent upgrades include a new roof, new gutters, and a freshly painted exterior. Conveniently located near Windsor Town Green, Foothill Regional Park, popular restaurants, and Oliver's Market. An absolute must see!
